ORIENTATION/BOOK REVIEW

It has been another academic session. The returning students and the newly admitted students resumed for another exciting academic session. It was time to officially welcome the new students into the system, starting with a tour to familiarise them with the school environment, facilities, and resources. They also explored extracurricular activities, student organisations, and school safety. Plus, they got to meet fellow new students and swap experiences.

The event was spiced up by the presence of the proprietor of the school, Engineer Folashade Agoro. The new students took turns introducing themselves. Thereafter, she reviewed her new book, "Cakewalk" *'Teen Series on Character Building and Financial Literacy'*. It is a book that offers practical tips on budgeting, saving, and investing _ Perfect for students! She gave a brief overview of the book's content.

Based on the review, students answered questions, and Engineer Folashade rewarded those who answered correctly with financial gifts. Shortly after, the occasion came to a close at 3:30pm.

PERSONAL HYGIENE

Personal hygiene is all about keeping ourselves clean and healthy. It includes habits like washing hands regularly, brushing teeth, bathing, and wearing clean clothes .Good personal hygiene helps prevent illnesses, boosts confidence, and makes us feel fresh and energized!

Here are some tips:

1. Wash hands frequently, especially before eating and after using the restroom.
2. Brush teeth at least twice a day.
3. Bathe or shower daily, and use deodorant.
4. Wear clean clothes and change socks daily.
5. Trim nails and keep them clean
6. Practice good hair hygiene, washing and styling it regularly .

Simple habits can make a big difference!

GENDER ASSEMBLY

"Our school empowers students with self-esteem, critical thinking, and respect by exploring identity, challenging stereotypes, and promoting healthy relationships.

We address mental health, personal hygiene, and leadership skills, highlighting diverse career paths to ensure everyone feels safe, valued, and equipped to navigate complex social dynamics.

Key goals include fostering emotional intelligence, media literacy, and ethical conduct, promoting empowerment for all, regardless of social roles or identity."

CREATIVE ARTS

At Hiworth college, creativity is encouraged and nurtured ! We foster a safe and curious environment where project-based learning and arts integration come alive. Through hands-on activities, students generate their own ideas, explore multiple solutions, and develop innovative skills and independent thinking.

KEEP FIT DAY

On November 14th, our annual Keep Fit event was a roaring success! Students and teachers participated in a variety of activities designed to promote health and wellness. Highlights included:

Aerobics: A peaceful start with expert guidance from Coach Chris.

Yoga: A refreshing Yoga session also led by Coach Chris. Thank you everyone who participated and helped organize this event. Let's keep the momentum going for a healthier school community!

SPORTS

We educate our students on the importance of sport participation and physical activity in schools. Sports in education enhance physical health, cognitive development, academic performance, emotional well-being and life skills .

SCIENCE

This term's Junior Category Science Competition was an exciting exploration of science-related subjects, showcasing the talents of our students across various fields: Mathematics, Agricultural Science, Basic Science and Technology.

At the end of the first round, team Jacobi, Pythagoras, Darwin and Mendeleev qualified for the next stage of the Junior category.

The Junior Science Competition came to a successful end with team Jacobi winning the game with 65 points.

TEA PARTY

The welcome tea party took place in the school hall on October 10th at 10am. The event was for all students and new parents only. It was an occasion for the new parents to acquaint themselves with the school, the management, and the teachers. The new parents along with their children were called in turns for introductions. Miss Bolu Glory, Head of junior school read out the rules and regulations of the school and Mrs Queen Ighalo, the VP Admin added a few more and explained in details.

The students also graced the occasion with sizzling performances, including songs, poems, riddles and jokes. At the same time, the parents were treated to a mouth-watering breakfast. Shortly after, the event came to a close.

VISIT TO ORPHANAGE

"We're thrilled to share that our visit to the orphanage was a huge success! The kids were beaming with joy as they received your generous gifts .

On behalf of our students, staff, and management, we want to extend our heartfelt gratitude to all the parents who contributed to this initiative.

Your kindness and generosity have made a real difference in the lives of these amazing kids. As you have given so freely, we pray that you'll never lack and that your generosity will continue to inspire others .Thank you again for your love and support! "

END OF THE YEAR PARTY!

Amidst the academic rigors, we rounded off the term with a classroom party. End of the year season ushers in a cascade of joy and warmth.

The party provided an opportunity for our students to celebrate accomplishments for the term, engage in social interactions and most importantly, have fun.

SCHOOL LUNCH SERVICE

Our school offers a healthy lunch service to keep our students energized and focused throughout the day . We know that too much sugar or junk food can lead to midday slumps, poor concentration, and fatigue . That's why our meals are carefully crafted to include protein-rich foods, whole grains, low-carb options, and plenty of fruits and veggies .

Our goal is to provide delicious and nutritious meals that fuel young minds and bodies, promoting better concentration, energy, and overall well-being!

School Shuttle System

Our school shuttle system is fully operational. We implore parents/ guardians who are yet to subscribe to do so. Our buses are comfortable, conducive and fully air conditioned.
